Your guide to community
courses across Stockton
and surrounding areas

September 2011 - July 2012

Stockton-on-Tees
BOROUGH COUNCIL

Welcome...

A warm welcome from Tees Achieve and Stockton Riverside College to all our new and returning learners.

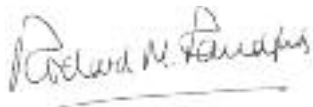

Last year we delivered community courses to 4,500 learners in more than 100 venues across Stockton. We are working together to ensure we offer a wide range of complementary courses so learners can progress from first step introductory courses to higher level programmes wherever possible (see Lindsey's story on page 6 as an example). We hope you can find an activity to interest you in this course guide for 2011-12. If not, please contact us with your suggestions.

Skills and lifelong learning are important for many reasons - to improve chances at work or of finding work, to gain personal satisfaction, to help your children at school or to keep your mind and body active.

These times of uncertainty have shown even more people see the value and rewards of learning whether in the workplace or at leisure. We work in partnership with many organisations to offer a wide range of convenient locations and provide opportunities based on your needs.

If you are unsure about which course to take, we can offer you independent advice to help you make the right choices.

Many people are finding adult learning is a key to getting where they want to be, so, whether you want to learn for Life, Interest or Work, don't get left behind and ENROL NOW.

Examination Fees

Our examination fees are subject to change from the advertised price as some awarding bodies have not yet announced their charges. You will be informed at the time of booking. Any non attendees of examinations will still be charged.

Fee Charges for 2011 - 2012

We do not wish anyone to be disadvantaged or to miss the opportunity to learn due to these charges. Individual cases of severe financial hardship will be considered. See page 32 for details and contacts

Refunds

Refunds are not normally given except where a course has been closed by Tees Achieve due to circumstances such as low class numbers or adverse weather conditions. However, consideration will be given to each case on an individual basis by written requests from learners who withdraw in exceptional circumstances. Learners should note this request must be received no later than 4 weeks after last attendance and refunds would be given on a pro-rata basis.

If you consider your request to be an exceptional case please submit your request in writing to:

- The Office Manager, Tees Achieve, Billingham Community Centre, The Causeway, Billingham, TS23 2DA

or by e mail to tees.achieve@stockton.gov.uk

We will charge an administration fee of £10 for refunds for one or more courses per term if your request is successful.

If you wish to transfer your fees to an alternative date in the same academic year no administration fee will be charged.

Please note we do not give any refunds for those students who have claimed any reduction in fees.

Learning for Life

We have a range of courses designed to provide essential skills for life whether you are looking to help your children with their homework, get a job, volunteer in the community, improve your health and fitness, learn how to use a computer or just increase your confidence. Classes are small, friendly and welcoming to new learners. You can join some classes at any time throughout the year.

Lindsey Mitton overcame her low confidence and poor experience of maths at school to attend a Tees Achieve Numeracy class in 2010. Her hard work has paid off as she progressed to an Access to Higher Education course at SRC, gained entry for a national award and a new, realistic ambition of becoming a nurse in the future.

She said: "I can now look at new topics that the teacher gives me without panicking and feeling stupid because I do not know it yet. I understand now that I can learn. I didn't think I could before.

"I feel I know loads more and know I will be able to help my son when he starts school. It has changed the way I look at the world. I hold my head up now and feel great. I know I have a lot of hard work ahead of me, but I know I can achieve what I want to. My son and I will have a good life when I have qualified as a nurse."

English, Maths, Skills for Life

English and maths courses are delivered across the area in a wide range of local venues. Courses are available throughout the week at a time to suit you.

Get the support you need with our friendly, experienced tutors.

- Brush up your English and Maths skills.
- Gain a qualification.
- Fill a gap in your CV to get that job.
- Help your children with their homework.
- Feel more confident.

Do I have to pay for reading, writing, spelling or maths courses?

No, these courses are free.

Please call (01642) 527904 to arrange an informal chat and assessment.

ESOL - English for Speakers of Other Languages

If English is not your first language, we offer courses at all levels from beginners to advanced. Anyone who is 19 or over who wants to improve their English is welcome, subject to certain eligibility requirements. We have classes during the day and evenings and also run classes for women only.

You can also prepare for Skills for Life ESOL exams or the International English Language Testing System (IELTS).

All of our classes incorporate citizenship for ESOL learners.

For a placement interview and initial assessment please contact our centre on (01642) 528120. Courses may be free to those in receipt of certain benefits.

The following courses are provided by Stockton Riverside College – for more information call (01642) 865566

Family Learning

Family Learning courses take place in many schools and community venues across Stockton, Billingham and Thornaby. They are open to parents and carers and offer you the opportunity to find out how subjects are currently being taught in school, how to help and support your children with their work, as well as brushing up your own skills – often with a qualification at the end of the course.

We also offer a variety of workshops where parents and children can work together in a range of fun and creative activities.

All courses are free, so look out for news of Family Learning at your child's school or local community venue.

- Literacy
- Numeracy
- ICT
- Art and Craft
- Keeping up with the Children
- Workshops

Do I have to pay for Family Learning Courses?

No, these courses are free.

Sign Language, Lip Reading and IELTS Preparation

IELTS Preparation Course

The IELTS course is an advanced English course for speakers of other languages.

It is suitable for professionals working here and for people who need to meet the entry requirements of universities in the UK

An ESOL level 1 qualification (or higher) is a minimum entry requirement of the course as learners will be working towards Band Score 7 in the IELTS Examination.

“Tees Achieve is nothing like school. Once you’ve made that first step through the door you’re made for life.”

Sue Whelan wanted to give something back to the community as well as maintain her existing skills so she attended a Volunteer Workshop delivered in partnership with Viva Volunteers. Attending the course helped to increase her confidence and she is now volunteering at Daisy Chain.

Fae Osborne attended a Tees Achieve jewellery making course which has led to her own business! Her website, www.prettypieces-byfae.co.uk, offers her own unique designs and even bespoke pieces. Mother of one, Fae also makes and sells key rings and bag charms to raise money for cancer research following the death of a friend to breast cancer.

Arts Craft and Music

All of our classes are taught by subject specialist tutors and include practical activities mixed with relevant theory. For 2011/12 we have a range of innovative new courses and exciting new venues including the Sound Pod in Stockton. At this venue the latest technology will be used in courses in drumming, keyboards and singing. No prior experience is required. Throughout the year tutors also provide opportunities to visit exhibitions and activities relevant to the course.

Art

Classes in art cater for beginners to master classes for the more experienced learner. With new tutors in post our offer has been extended to include a wide range of subjects such as life drawing, art and craft, mixed media and art history.

Cookery and Sugar Craft

Learners can now choose from a wide range of cookery courses which cater for all levels and incorporate food from both Britain and overseas. Specialist subjects include French, Mediterranean, Indian and British food from around the regions. We are also offering courses specifically for men and complete beginners (see page 9) and new courses in wine tasting and sampling cheeses. In sugar craft classes learners can choose between developing skills in royal icing or sugar paste modelling to create unique and individual cake designs. Other one day masterclasses will be available throughout the year.

Languages

How to choose the right course for you:

Get by – this one term course is for you if you wish to develop some basic conversational language skills to use on holiday.

Beginner – Want to learn a language but not just because you want to go on holiday? In this basic language course you will learn how to introduce yourself, speak about your friends and family, express likes/dislikes, order drink and food etc.

Next Step - If you have a basic knowledge of the language from school or from the Beginner class and would like to extend your knowledge of a language, this is the course for you. This course is suitable for learners working towards GCSE.

Intermediate – If you have a more advanced awareness of a language (possibly from completing the Next Step course) and you wish to further your conversational abilities, then this course is ideal for you. You will get the opportunity to learn and practise a range of new topics. This is suitable for post GCSE learners.

Higher Intermediate – Continue practising a range of new topics whilst also improving grammar. This course is suitable for learners working towards A-Level.

Advanced – If you have a more advanced awareness of a language, this is an opportunity to improve fluency in your speaking and listening and consolidate your reading and writing skills. This course is suitable for post A-Level learners.

Michelle Wardle is well on the way to making the incredible journey from student to teacher!

Despite suffering from severe depression which resulted in alopecia, Michelle was determined to gain her Literacy & Numeracy qualifications and improve her confidence and self-esteem.

Michelle was recently one of the runners-up for the National Adult Learner's Week Award and went along to Durham Cathedral for the presentation. This incredibly committed student has also completed her Safeguarding Adults and initial teacher training courses with Tees Achieve and gained her Award in Preparing to Teach in the Lifelong Learning Sector. And she even found time to volunteer to help other learners!

Apprentices – Tees Achieve

We offer a broad range of apprenticeships and have been in business training young people since 1982 and support the following business sectors:

- Business Administration
- Customer Service
- Child Care
- Health and Social Care
- Joinery
- Maintenance Operations
- Retail and Warehousing
- Supporting Teaching and Learning

An apprentice learns through a combination of on and off the job education and training.

On average an apprenticeship will take about 15 months to complete. During this time you will attend your place of work for four days a week and attend the training centre for one day per week to train towards an NVQ, functional skills and a technical certificate.

To qualify you will need good communication skills and 4 GCSE's grade A-E.

We are able to offer training to anyone who meets the requirements of the programmes between the ages of 16-24 and 25+.

For an appointment to discuss apprenticeships contact (01642) 524931 or e-mail tees.achieve@stockton.gov.uk.

Employers

Are you an employer who is looking to the future?

Let Tees Achieve help with your training and recruitment needs.

Did you know for a minimum of £2.50 per hour you can employ a young person aged 16 -18 on an apprenticeship programme (hours depending) and Tees Achieve will deliver the teaching and learning.

Tees Achieve also offer level 2 and Level 3 NVQ Certificates and Diploma in the above work-related disciplines and are able to offer stand-alone units which will enhance the skills of your work-force.

If you would like more information ring (01642) 527904 or e-mail tees.achieve@stockton.gov.uk

Nursery Manager, Samantha Harvey said:

"I'm delighted with the way Lauren has developed and become a valued member of the team."

"She has all the attributes to make a good nursery nurse. It is a challenging job both physically and mentally, yet at the same time extremely rewarding. We are very happy to see Lauren is enjoying her employment with the company and we're looking forward to supporting her through the Level 3 qualification."

Manager John Sharp from Greenhams said:

"We've taken on a number of apprentices over the years and ten percent of our branch staff currently come from the scheme."

"Our apprentices have always been hard working, demonstrate the right attitude, are incredibly committed and quickly become valued members of the team – other employers should definitely consider taking an apprentice on."

Calum Stamper is an apprentice with Chris Pink Joinery and is studying towards a Level 2 NVQ Diploma in Bench Joinery.

He said: "I enjoyed joinery at school but college wasn't for me. Tees Achieve assessed me and suggested pursuing a NVQ while working for Chris Pink. I'm gaining the practical skills I'll need for a long-term career while also earning money."

Chris' work is available to view at www.pinkjoinery.com

Arts and Crafts

We now have an exciting new course in visual merchandising. This course will offer practical sessions in producing window displays in Stockton town centre shop units and develop skills in making props.

Foundation Learning

The Foundation Learning programme offers a wide range of courses for 16-18 year olds. Courses are designed to help young people become independent and self-motivated. The aim of the programme is to enable learners to gain the qualifications required to progress into employment with training, apprenticeships or onto their first level 2 further learning provision.

Stage 1 subjects are:

- Level 1 Maths, English, IT Skills
- NOCN Certificate in progression
- NOCN Step-Up Award

Stage 2 subjects are:

- NOCN Certificate in Employability Skills
- NVQ Level 1 in Health and Social Care, Childcare, Business Administration or Retail

Stage 2 learners are all able to develop their vocational skills by undertaking work experience with local employers. In many cases this can lead to employment or a Level 2 employed apprenticeship. As a minimum it will enhance life skills and raise general employability skills and provide learners with a current work reference.

Stockton martial arts instructor **Steve Todd**, 56, recently achieved a Counselling Level 1 and Teaching Training certificates. He said:

“I enrolled to further my qualifications and improve my employability and life skills.”

“I’m really interested in counselling as it gives me an opportunity to help people – I didn’t realise the vast range of pressures people can find themselves under until I did the course.”

“I definitely think education is the key to improving people’s life chances. Tees Achieve courses are a fantastic way to continue learning in a friendly yet professional environment and the course material is well-presented and thought provoking.”

“I would encourage other people to consider a course and I’m also hoping to pursue my interest in counselling through Tees Achieve.”
