

Norton: Holme House Trail

Start: Norton Medical Centre

Distance: 2.1 miles/3.4 kilometres

1 From the front entrance of Norton Medical Centre, turn right up Billingham Road and, at the roundabout, turn left onto South Road. Continue along South Road until you turn right into Albany Road.

2 At the end of Albany Road do *not* cross over the bridge but continue ahead along the old railway line. The line bears right and at this point you need to turn *left* along a path between the school and the trees. This path may be muddy in places. The path eventually comes out near the back of Holme House Prison. Turn left onto a short rough track which becomes a tarmac path/cycleway.

3 Turn left again. This path runs alongside the A19 heading back to Norton. This path eventually ends at the roundabout at the bottom of Billingham Road (Tanners Bank). Cross over the road using the crossing points and turn left up the bank to return to the Medical Centre.
