Distance: 2.2 miles/3.5 kilometres

1 From the Neighbourhood Centre entrance, turn left and then left again to head towards the shops on Dumbarton Avenue. Cross over to the shops and turn left, then right, onto Darlington Lane. Walk downhill towards the blue railway bridge.

2 Go under the bridge and turn immediately right to enter the Great North Park through a metal gateway decorated with mushrooms. Follow this path until it meets the old railway path

3 At this T-junction turn left. The path is level at first, then goes slightly downhill and then up a gentle slope.

4 At the top of the slope there is a path to your right through another metal gateway. Take this path and go through the gate, then turn left. This will take you to the main road (Norton Road) where you should turn left.

5 Follow Norton Road and, at the traffic lights, turn left onto Norton Avenue. Follow Norton Avenue until you reach the main road near the blue bridge.

6 Turn left to head under the bridge and back along Darlington Lane to return to Ragworth Neighbourhood Centre.
