

Changes to concessionary bus pass scheme

From **6th April 2010** a change to the age that you will qualify for a bus pass has been introduced by government. The age that people can apply for a bus pass will **change from 60 years to 65 years**.

If you already have a bus pass you will not lose it. And if your 60th birthday will take place before 6th April this year you can still apply for your bus pass in the usual way.

The change will not happen immediately but instead will be implemented gradually over the coming years.

If you are approaching an age that gets you thinking about applying for an older persons bus pass the information below will help you to find out when you can apply for yours.

If you need to find our more information about these changes contact us.
