To All Statutory Undertakers & Stakeholders

Date 25th Feb 2020

Dear Sirs,

**Regulation 17 Notification of commencement of the Stockton-on-Tees Borough Council
Road Activities Permit Scheme for Road Works and Street Works**

This letter is to give you formal notification on behalf of Stockton-on-Tees Permit Authority under Regulation 17 of the Traffic Management Permit Schemes (England) Regulations 2007 that the order giving effect to the Permit Scheme, was made on the 24th February 2020 to bring the Permit Scheme into force from Monday 30th March 2020

To be clear, this is the start date of the Scheme from which time it will operate across the full Stockton-on-Tees Borough Council boundary area.

The final approved version of Permit Scheme documents can be found on
<https://www.stockton.gov.uk/economic-regeneration-and-transport/roads-and-pavements/street-works-permit-scheme/>

In addition, the relevant Order itself appends the final version of the Scheme as a Schedule.

If you have any questions relating to this matter or the Project please contact:

Steven Dodds
Principal Engineer/Streetworks Manager
