

Elm Tree: Newham Grange Park

Start: Elm Tree Community Centre

Distance: 2.2 miles/3.5 kilometres

- 1** From Elm Tree Community Centre go on to Elm Tree Avenue and turn left. Take the first left onto Foxwood Drive, then the next right onto Dunelm Road. Follow this road and then take the second short cul-de-sac on your left, at the end of which there is a footpath.
- 2** Take this footpath onto the green belt. Where the path forks, take the right fork to keep the beck on your left. This path leads to Newstead Avenue where you should turn left and follow the road around until you reach Spenborough Road.
- 3** Turn left into Spenborough Road and follow it as it bears to the left, then take the footpath ahead of you into Newham Grange Park. Follow this path across the beck and up the hill. At the path junction turn left and follow the main path through the park and past the bowling green until you reach Darlington Lane.
- 4** Turn left and follow the footpath. At the end of the park, turn left on a footpath down a slope. Keep on this path, which runs parallel to Darlington Lane, until you cross Norwich Avenue for the *second* time and then reach a footpath/cycleway on your left (signposted Town Centre).
- 5** Take this path until you come to Elm Tree Avenue, turn left here and cross over Helmsley Grove to return to Elm Tree Community Centre.
