

Am I eligible for a Personal Budget?

To receive a personal budget, you start by having a Care Assessment. A Care Manager will speak with you about your needs and look at what support you already have in place.

If you are not eligible to receive services we can offer advice, support and guidance to meet your needs in other ways.

For more information about eligibility please see Stockton-On-Tees Borough Council leaflet:

[Care Act Assessment and national Minimum Eligibility Threshold for Care and Support](#)
