

## Oasis After School and Day Care

### **Clothing, meals and personal care**

Please provide a packed lunch for your child for both after school care and day care sessions. Drinks and snacks are available throughout the day. Staff eat alongside the children and help where needed.

Children should wear appropriate clothing and footwear for indoor/outdoor use - we sometimes decide to go out for a walk so please ensure your child brings a coat. Belongings should be clearly marked with your child's name. You will be informed in advance if your child requires swimming equipment.

Please supply any toiletries that your child requires, such as continence pads, sanitary wear or baby wipes.

### **Medical information**

It is important that you ensure staff are aware of any medical conditions or allergies that your child has. If your child requires medication during their time at OASIS you must have these signed in by a member of staff on arrival. Medication must be in a container that has a pharmacy label clearly stating the child's name and prescribed dosage. Parents will be required to sign a form detailing the child's medication. If there is any medication left over from your child's session you will be required to collect it as we are unable to store it.

If your child appears unwell we will contact you and ask that you collect them. Parents will be required to sign a form to give permission for staff to seek medical advice in an emergency (any decision to give treatment will be made by the emergency health services).

### **Inclusive holiday programme**

We also offer a school holiday care programme (inclusive holiday programme) for children and young people with a learning disability (aged 3 to 17 years).

Your child will be allocated a venue to attend, according on their age and ability.

Booking forms are available from OASIS. Completed forms should be submitted to OASIS and bookings received before the programme starts.

Parents are responsible for transporting children to and from the allocated venue. There is a charge for each day session and you are required to pay for all of the booked sessions your child is due to attend at the first session.

For additional information about our Inclusive Holiday Programme please contact Oasis.
